Springbank Acreage with Commercial
Development Potential â€” 4 Acres in Airport
Interface

INVESTOR ALERT! Located at 33022 Township Road 250, this 4-acre property is now confirmed to fall within the Airport Interface area, following final approval of the Springbank Area Structure Plan (ASP). While currently zoned Rural Residential, its inclusion in this strategic area highlights commercial development potential and opportunities for those exploring future land use changes. Any alternate use would require a re-designation application through Rocky View County, aligned with proposed plans.

Just five minutes from Calgaryâ€™s city limits and neighbouring Calaway Park, the property sits in a rapidly growing corridor. Construction is underway on new roadways for Bingham Crossing, a major commercial hub that will feature a Costco and other retail amenitiesâ€”bringing long-term value to the surrounding area.

The existing 3,000+ sq. ft. bungalow offers immediate rental or personal-use potential, with spacious living areas, two wood-burning fireplaces, a 750 sq. ft. west-facing deck with mountain views, and an oversized four-car garage. A partially finished basement with

bathroom rough-in adds flexibility, and current zoning allows for up to two horsesâ€”making it an attractive option for those seeking country living with future upside.

With infrastructure and development momentum accelerating in this sought-after pocket of Springbank, this is a rare opportunity to acquire a well-located acreage with strong holding value and long-term commercial potential, subject to County review and approval.
