Throughout the home, the light, wood-look flooring creates a cohesive and contemporary feel and makes it easy to sweep up sand from the beach. There are so many upgrades in this home including new flooring throughout, new doors and door knobs, updated light fixtures, new vinyl windows, new electrical, heating, and hot water tank. Outside, the view from the

deck doesn't get any better than this! The lawn stretches out front to a sloped hillside and shore beneath and there is a path to the lake. The street side of this property has plenty of parking and enough space to build a garage. This is one of the few properties in this area that is on municipal water and sewer, so you don't have to worry about hauling water in or emptying out a septic. Rochon Sands is a wonderful community that has tennis/pickleball courts, a disc golf course, playgrounds, a community hall, and there are 3 golf courses close by. In the winter you can partake in ice fishing, sledding, snowshoeing, cross country skiing, skating track, and a rink with lights at night.
