Welcome to the Highlands of Valley Ridge. This walk-up bungalow is the one you have been waiting for! Hardwood floors will lead you into an open-concept main-floor living space. Past the dining area, you'll find a spacious living room with a corner gas fireplace. The large picture windows allow plenty of natural light to fill the space. The kitchen features quartz countertops, a gas stove, plenty of cupboard and counter space, and a raised eating bar. You'll catch the morning sun on the covered patio area, complete with a gas line for the BBQ. The primary retreat is massive, offering plenty of space for the king-bedroom set! Past his & her closets you'll find a full ensuite. The second bedroom is also generously sized and not far from the second full washroom. The laundry room is also conveniently located on this level.
