6 Bedroom, 4.00 Bathroom, 2,558 sqft

Residential on 0.10 Acres

Crestmont, Calgary, Alberta

Welcome to this beautifully appointed 2,557 sq.ft two-storey home, offering over 3,600 sq.ft of total developed living space, ideally located in a highly sought-after Calgary neighbourhood. With 6 spacious bedrooms and 4 full bathrooms, this thoughtfully designed property is perfect for large or multi-generational families seeking both luxury and versatility.

Step inside to a show-stopping open-to-below living room, highlighted by soaring ceilings and a dramatic floor-to-ceiling window that spans both levels â€” bringing in abundant natural light and adding a grand, open feel to the heart of the home. The main floor features rich hardwood flooring paired with matching wood railings, adding warmth and cohesion to the elegant design. A cozy three-way fireplace anchors the space, connecting the living, dining, and family areas with charm and comfort. An east facing large 16 x 9 ft. balcony off the dining area with a nice view perfect for a relaxing morning coffee. The kitchen is a chefâ€™s dream, featuring Black Galaxy granite countertops, a central island with seating, and ample cabinetry â€” perfectly suited for both daily living and entertaining. A rare and desirable main floor bedroom paired with a full bathroom featuring a double shower and heat lamp offers exceptional flexibility â€” ideal for aging parents, overnight guests, or a private office with full amenities.

Upstairs, discover three generously sized bedrooms, a bright and airy bonus room, and

a luxurious primary suite complete with a spa-like ensuite, including a soaker tub, standing shower, dual sinks, and a large 11 x 5 ft. walk-in closet.

The fully developed walkout basement offers even more space and potential, flooded with natural light from oversized windows and featuring direct backyard access â€” making it ideal for an in-law suite, guest quarters, or a separate living area for older children. It includes two additional bedrooms, a spacious recreation/living room, and a full bathroom.

Additional features include central air conditioning, a built-in central vacuum system with kick-plate sweep pans in both the kitchen island and primary bathroom, and enhanced in-wall wiring including Cat5, satellite pre-wiring, and home theatre speaker outlets in key rooms. A sprinkler system infrastructure was also installed during construction, allowing for future completion if desired.
