3 Bedroom, 4.00 Bathroom, 2,301 sqft
Residential on 0.10 Acres

Nolan Hill, Calgary, Alberta

*** OPEN HOUSE Sat May 3, 2025 11:30am
â€“ 1pm *** This 3-bedroom, 2 full bath + 2
half bath detached home blends functional
design with premium finishes in a beautifully
planned layout. As soon as you step inside,
you're welcomed by the light down the hall
from the oversized windows that frame views
of the ravine and walking paths, creating a
serene and light-filled first impression. The
front entrance also features an oversized
walk-in front entry closet, offering both
practicality and style right from the start.

The kitchen is finished with neutral cabinetry,
double ovens, a flat-top electric stove, an
oversized two-toned island, and soft
cabinet-top lighting. A walkthrough pantry with
added cabinetry and counter space connects
the kitchen to a well-designed mudroom, which
features built-in benches, an oversized
upgraded mudroom walk-in closet, and access
to the heated garage.

Upstairs, a central bonus room separates the
primary suite from two additional bedrooms.
The primary suite includes a spa-style ensuite
with a walk-in shower, double vanity, and a
custom walk-in closet. One secondary
bedroom features a Murphy bed, and the
second-floor laundry room adds extra storage
with built-in shelving.

The fully developed basement adds even
more usable space, offering a cozy rec/media

area, another Murphy bed, a half bath, and a large utility room with storage. Outside, enjoy a south-facing backyard with a firepit, rocked seating area, metal gazebo, and hidden storage under the balcony. The large back deck includes stairs leading directly into the backyard – a practical feature often missing in walkout basements. This layout provides safer, more convenient access for kids, pets, and yard maintenance, all while maintaining backyard privacy and usability.

With new shingles and siding currently being replaced, and located close to parks, trails, and community amenities, this home is ready for its next chapter.
