As you step inside, natural light pours through oversized windows, illuminating a warm, welcoming layout. The main floor has been thoughtfully designed to balance open-concept flow with clearly defined spaces. The kitchen is the heart of the home, offering generous cabinetry, ample counter space ideal for prep, a walk-in pantry, and stainless steel appliances—including a brand-new fridge (2024) and dishwasher (2020). The main level also features a stylish 2-piece bath and a functional laundry room, all finished in a soft, neutral palette that creates a calm and cohesive feel. Upstairs, a spacious family room offers the flexibility to serve as a media lounge, playroom, or conversion into a fourth bedroom. Down the hall, two additional

bedrooms are complemented by a 4-piece family bath, while the primary suite provides a true retreat. With a large walk-in closet and a well-appointed ensuite—featuring a soaker tub, separate shower, and modern finishes—it’s a space designed for quiet relaxation.
