Rare Bi-Level in Coral Springs! This well-laid-out bi-level home offers excellent value and is ready for your finishing touches. The main floor features a spacious living and dining area, a functional kitchen with a breakfast nook, and direct access to the back deck.

There are three bedrooms on the main level, including a large primary suite with a walk-in closet and private 4-piece ensuite. A second full bathroom completes the main floor. The partly finished basement includes two additional bedrooms, each with large walk-in closets, and a third full bathroom. There's a gas line roughed in, making it easy to install a fireplace and enhance the cozy feel of the lower level.

The roof was replaced approximately five years ago, and a brand-new garage door has been installed. The home sits on a large pie-shaped lot, featuring mature fruit trees, adding both charm and functionality to the space.
