Killarney/Glengarry, Calgary, Alberta

Located on one of Killarney's most desirable tree-lined streets, this custom-built home offers incredible quality, thoughtful design, and a long list of upgrades. The main floor is bright and inviting, with a front flex room ideal for a home office, formal dining, or music room. The chef-inspired kitchen features a WOLF gas cooktop, quartz countertops, a large island, and an open layout that flows seamlessly into the spacious dining area and living room, complete with a gas fireplace, custom built-ins, and in-ceiling speakers. Upstairs you'll find three bedrooms, including a well-appointed primary retreat with a skylit spa-like ensuite with in-floor heat featuring dual vanities, an oversized tiled shower, and a deep soaker tub. A full laundry room and two additional bedrooms with a shared full bath complete the upper level.

The fully finished basement is built for entertaining, offering a fourth bedroom or fitness room, full bath, large family room with wet bar, and a 200-bottle built-in wine fridge and in-floor heating. Additional features include central air conditioning, central vacuum, water softener, and integrated speakers throughout the main floor, basement, primary suite, and backyard patio.

The low-maintenance yard is professionally landscaped and includes a concrete patio, gas BBQ hook-up, Rainbird irrigation in all garden beds, and a finished/heated double detached garage with Calcana gas heater.

This is a rare opportunity to own a high-end

home on a quiet street, just steps to parks, schools, and the LRT. A true "lock-and-leave" lifestyle with no compromises.
