Welcome to this incredible California-built 2½ storey home, perfectly nestled on a quiet cul-de-sac overlooking Fish Creek Park. With over 4,300 sq. ft. of refined, thoughtfully designed living space, this home is the perfect blend of luxury, comfort, and functionality. From the moment you arrive, the oversized triple tandem garage with new garage doors and a wall-mounted heater sets the tone for the quality and attention to detail you'll find throughout. Step inside to soaring 10-foot knock-down ceilings accented with elegant crown moulding, wide-open living areas, and a wall of windows that flood the space with natural light. The gourmet chef's kitchen has been beautifully renovated with granite countertops, custom cabinetry, and a stunning 10' single-slab breakfast/prep bar. Just off the kitchen, you'll find a huge walk-in pantry with its own fridge, a walkthrough mudroom, and main floor laundry, complete with a convenient laundry chute from the primary suite. Upstairs, you'll discover two generous primary bedrooms, each with its own spa-inspired ensuite, including a recently renovated steam shower. The bonus/flex/media room offers endless possibilities—it's fully wired for a home office, could serve as a gym, or even be converted into an in-law suite with its own bathroom (also renovated).

Comfort features include air conditioning on the upper level, central vacuum, an irrigation system, and Hunter Douglas blinds with blackout shades in every bedroom. The upper

level also features newer carpet, adding warmth and modern comfort.
