3 Bedroom, 3.00 Bathroom, 2,082 sqft  
Residential on 0.11 Acres

Rocky Ridge, Calgary, Alberta

Welcome to a large 2-storey on a quiet street with beautiful MOUNTAIN VIEWS! This well cared for home is great for a growing family. Main floor has a huge kitchen with a large island, cedar cabinets, and gorgeous beams. A large living room with gas fireplace. A main floor deck which is raised and has nice views. There are 2 sets of laundry, main level and lower level. Also, a den/office at the front of the home off the entrance way. The upper level has a large master with mountain views, a walk in closet, and a 4 piece bathroom. There are 2 additional bedrooms each with their own walk in closet. A 4 piece bathroom supports these rooms. The lower level has its own kitchen with tons of counter space and cabinetry. Another spacious living room with a bay window and bench overlooks the south facing backyard. An additional room which could be a bedroom if the window was enlarged. There is a 3 piece bathroom with a walk in shower and some storage above. Lots of storage in the mechanical room and additional storage under the stairs. The backyard faces south and has a large shed on the east side of the home that has power and a water line. There is also AC to keep you cool throughout the day. The home is a short drive to the neighborhood plaza which has a grocery store and other retail shops, along with a quick exit to the mountains.

Built in 2002
