Residential on 0.15 Acres

Varsity, Calgary, Alberta

Welcome to a TOP location in The Acres! This large bungalow backs onto Varsity Park! With over 2800+ of developed space throughout this is a perfect home for empty nesters or a growing family with its 5 bedrooms. The main floor had a significant renovation approximately 14 years ago. New flooring on the main, the kitchen was opened up with new cabinets, granite counter tops, and of course appliances. The front living room has a gas fireplace that is ideal for our cooler winters. There is a 2nd living room at the rear of the home with vaulted ceilings, carpeted and is truly a super place to relax! The primary bedroom is large with its own 3 piece ensuite (walk in shower) and is located in a quiet part of the home. There are 2 additional bedrooms with a 4 piece bathroom. The basement has had a complete makeover and has 2 large bedrooms on opposite sides. There is a large rec room that can be used for a number of things. Laundry is located on this level. There is a room off the stairs that could be an office if one wishes. There are 2 storage locations. Some recent upgrades include new roof 2018, AC 2009, Bay Window 2013, Kitchen 2008, washer/dryer 2020 & water tank 2021. The garage is attached, oversized and has a vent from the home that provides heat. In addition, there is a sun room off the kitchen that is great for reading. Note: sunroom was done by the previous home owner not current. Walk out your yard into one of Varsity's largest dog parks. The ravine leads to the Dalhousie

C-train station or 53rd street. Home is quick access to Shaganappi, and a very short drive to Market Mall or the ever growing University District!
