Welcome to 109 Aspen Stone Place SW, a beautifully upgraded family home on a quiet cul-de-sac in prestigious Aspen Woods.Â

Over the past year, this residence has been refreshed with new Bosch appliances, all-new luxury vinyl flooring (September.15 2025) and carpet, an insulated smart garage door with video monitoring, refinished deck with new rails, and a solar system that eliminates electricity bills while generating income in warm months.

The main floor features soaring vaulted ceilings that flood the living area with natural light, anchored by a double-sided fireplace that also warms the primary suite. The master retreat includes a walk-in closet and spa-like ensuite with soaker tub and separate shower.

The fully developed and renovated basement offers two additional bedrooms, an office, a recreation area, a living room with fireplace, a wet bar, and a second laundryâ€”perfect for family living and entertaining.
