

# \$959,900 - 3130 39 Street Sw, Calgary

---

MLS® #A2240265

**\$959,900**

4 Bedroom, 4.00 Bathroom, 1,724 sqft

Residential on 0.06 Acres

Glenbrook, Calgary, Alberta

This beautiful home is under construction and will be ready for you in December 2025. With time still left to choose some of the finishes, youâ€™™ have the rare chance to make this home truly your own.

Set in the welcoming community of Glenbrook, this semi-detached infill offers 1,724 sq. ft.

above grade (RMS) plus a 665 sq. ft.

developed basement, for a total of 2,389 sq. ft.

of finished living space. The layout is designed

for both everyday living and entertaining. Step

inside to soaring 10-foot ceilings and an open

main floor that flows from the front flex room

into a spacious kitchen and bright living area.

The kitchen is the heart of the home, complete

with a large island, quartz countertops,

ceiling-height cabinetry, and a full appliance

package. The adjoining living room is warmed

by a fireplace and framed by large windows

that fill the space with natural light.

Upstairs, the primary suite is a private retreat

with a walk-in closet and a spa-inspired

ensuite featuring a freestanding tub and a fully

tilled glass shower. Two more bedrooms, a

5-piece bathroom, and a laundry room make

this level as practical as it is comfortable.

The fully developed basement adds even

more space with a rec room, bar area, one

bedroom, and a full bath. For those looking for

flexibility, the lower level also has the potential

to be reconfigured into a 2-bedroom legal suite

(subject to city approval) with its own private

entrance â€” a fantastic option for a future

mortgage helper.

Outside, youâ€™ll enjoy a double garage, landscaped yard, and a modern exterior finished with stucco, smartboard accents, and asphalt shingles.

In Glenbrook, youâ€™ll be surrounded by parks, schools, shops, and easy transit, all while being just minutes from downtown.

Move in this December and start fresh in a home built for the way you want to live!

Built in 2025
