Whether you're looking for a weekend retreat, seasonal getaway, or full-time home, this very clean and move-in ready park model delivers a lifestyle that's easy to enjoy year-round.

A large pergola-covered deck with built-in heater, string lights, and pull-down sunshades extends your living space outdoors—perfect for morning coffee, shaded afternoons, or fireside evenings with friends. In the back, you'll find a private firepit area and a shed with space to store your seasonal items or even your golf cart. There's space to park two vehicles at the front of the home for added convenience.

Inside, the open layout flows from the bright Living Room to the Dining Nook and well-equipped Kitchen, featuring matching appliances including a Gas Stove, Fridge, Dishwasher, and Microhood. A new hot water heater was installed in 2023, and in-unit Laundry adds everyday functionality. The full 4-piece Bath is clean and spacious, with everything in the home thoughtfully maintained and move-in ready.

The Primary Bedroom easily fits a king-sized bed and includes plenty of built-in storage to keep everything tucked away. The second Bedroom offers excellent flexibility—it’s ideal as a home office during the day and easily transitions into a guest space with a futon or daybed, giving you the best of both worlds. A portable A/C unit keeps things comfortable on warmer days.

As part of the Whispering Pines community, you’ll have access to an 18-hole golf course, 55-slip marina with boat launch, sandy beach, clubhouse with restaurant and lakefront patio, walking trails, fitness centre, indoor pool and hot tub, playground, pickleball courts, and beach volleyball.

If you're ready for a change of pace and a place to recharge, this is lake living without compromise—just 25 minutes from Red Deer.
