OPEN HOUSE Saturday 2-4 Inner-City
Luxury. Parkside Views. Endless Possibilities.
Imagine waking up in a home where the
city's vibrant heartbeat is just outside your
door—yet your morning coffee comes with
serene park views. This rare 2,377 sq. ft.
two-storey stunner delivers exactly that.

Set directly across from a lush park,
community centre, playground, and the
General Hospital memorial, this property
places you just steps from the Bow River
pathway, LRT, downtown, restaurants,
cafés, salons, medical care, and so much
more. You won't just live here—you'll
thrive here.

Step inside and be greeted by a sweeping
curved staircase that sets the tone for a home
that's anything but ordinary. Sunlight
streams through expansive windows, spilling
across freshly renovated floors and a sleek,
modern kitchen. Four patios, two additional
entrances, and a private office with its own
exterior door make this home as flexible as it is
beautiful.

Upstairs, the owner's suite is a personal
retreat like no other—a massive primary
bedroom, spa-inspired ensuite (steam shower
included), and a walk-in closet so large it could
be another bedroom. Laundry is attached to
the closet, and the additional bedrooms are
generous, bright, and one even features its

own private deck.

Your vehicle will be just as pampered as you are, with two titled underground heated parking stalls, a car wash bay, and an annual rental stall for extra convenience. Cyclists will love the secure bike room, and everyone will appreciate the impeccable care and security maintained by a first-class condominium corporation.

This isn't just a home—it's a lifestyle. Opportunities like this don't come often. Call your REALTOR® today and experience it for yourself.
