3 Bedroom, 2.00 Bathroom, 993 sqft

Residential on 0.11 Acres

Marlborough, Calgary, Alberta

Here is a cute bungalow in the wonderful community Marlborough. The owners of last 52 years have just moved on and the well cared for home is looking for its new owners. Over the years there have been many updates to the home, the kitchen, laminate floors, new carpet down stairs, fresh exterior paint and some new lighting. There are 3 bedrooms up, potentially for one down (no egress window), 2 baths, a generous living/dining room and a large rec room in the lower level. there is a nice big back yard with plenty of room to build a double garage off the alley behind the house. The property is sitting in a great spot, across the street from a large park, close to the LTR and shopping, schools and a bus stop is next door. This is a perfect first time buyers home!

Built in 1972
