Residential on 0.07 Acres

West Hillhurst, Calgary, Alberta

This stunning modern home in West Hillhurst, designed and built by Deanmark Custom Homes, blends European-inspired architecture with the comforts of luxurious urban living. Every detail reflects quality, comfort, and thoughtful design – from the creative open-concept layout that maximizes space and natural light, to the oversized ceiling heights and use of modern, natural, and durable finishes throughout. The main floor features gleaming hardwood and a centerpiece kitchen with a gas cooktop, built-in convection oven, quartz countertops, custom cabinetry, and a large island perfect for hosting. The kitchen opens into a bright, south-facing family room with a tile-wrapped gas fireplace and flows effortlessly to the low-maintenance south backyard. A detached garage includes an EV fast charger, ideal for eco-conscious city living. Upstairs, the spacious primary suite is a serene escape with a walk-in closet and luxurious 5-piece ensuite featuring in-floor heating. Two more bedrooms, a 4-piece bath, and a laundry room with a sink complete the upper level. The fully finished basement is great for guests and entertaining – enjoy the wet bar with fridge and microwave, a 4th bedroom, and a spa-style bathroom with steam shower. Additional features include A/C, vacuflo, water softener, filtration system, and roughed-in basement in-floor heat. Energy-efficient 9.8 kW solar panels make this home future-ready. All of this in a prime location just minutes to downtown,
