4 Bedroom, 2.00 Bathroom, 1,053 sqft

Residential on 0.23 Acres

N/A, Beaverlodge, Alberta

This 1,053 sq. ft. bungalow offers comfort, practicality, and plenty of potential on an expansive, nearly quarter-acre lot. The home has been lovingly maintained and features thoughtful updates, including a dishwasher, washer, and dryer that are only 5 years old, plus a hot water tank replaced just 3 years ago.

Originally designed as a 3-bedroom layout, one of the upstairs bedrooms has been converted into a convenient laundry and storage room. The kitchen provides ample cupboard space, and the spacious living room is perfect for relaxing or entertaining. The partially finished basement is framed and ready for your finishing touches—just add flooring and drywall to make it your own.

Outside, you'll find a detached garage with a concrete floor, a large storage shed, and a beautifully landscaped, fenced yard filled with mature and fruit trees. This property combines privacy, functionality, and small-town charm, making it a wonderful place to call home.
